EPSON[®]
VAR PARTNER

Introduction

Beagle Hardware is a division of Beagle Software specializing in the sales and service of Epson Point of Sale (POS) printers and accessories. We sell a variety of both new and fully refurbished Epson printers with several available interfaces. Our refurbished printers carry a 90-day warranty. We also offer a large selection of accessories including ribbons, cables, power supplies, and thermal paper. We are also interested in purchasing your surplus Epson POS printers.

Beagle Software was founded in 1997 and is an industry leader in the computer timekeeping field, offering a variety of software packages for keeping accurate atomic time for both single computers as well as networks, with or without Internet access. We also offer a time stamp package utilizing the Epson TM-295 printer for accurate, traceable time stamping.

Our office is located in downtown Minneapolis, Minnesota in the historic Warehouse District.

Please visit www.beaglehardware.com or call 866-574-7142 for the latest availability and pricing information on our printer models and accessories.
